Thank you for reading this brochure.

The Church of St Margaret's is a spiritual home for all who live in the parish of Olton.

As you will see from this brochure however, it costs a lot of money to keep St Margaret's open and running. We can only do this because of the financial generosity of our friends, parishioners and church members. There are no other significant sources for meeting our costs. And so I appeal to you to support our 2016 funding programme. Please help us to build on the generosity of past givers.

For all the help you are able to give now and in the future, thank you very much indeed.
